

BREAK-THRU™

Septic Tank and Cesspool Restorer

Drain and Septic Products

DESCRIPTION

Hercules **BREAK-THRU Septic Tank and Cesspool Restorer** uses specialized restorative enzymes to reactivate slow or lifeless septic systems. It restores and repopulates with beneficial bacteria. It digests fat, protein, paper, oils and starches. Hercules **BREAK-THRU** products are biodegradable, with no harsh chemicals or harmful bacteria. Easy-to-use liquid. Safe for humans, animals, plants, and plumbing.

Hercules **BREAK-THRU** products contain an exceptionally large quantity (billions) of a unique blend of specific enzymes for targeted, safe, and efficient drain/septic system maintenance and treatment. They effectively break down waste blockage, without harsh chemicals that can interfere with the natural balance of the system and damage drains.
