

BREAK-THRU™

Sluggish Drain Flow Improver/Opener

Drain and Septic Products

DESCRIPTION

Hercules **BREAK-THRU Sluggish Drain Flow Improver/Opener** uses specialized enzymes to clear sluggish drains, traps and pipes. It removes layers of build-up and controls odors on contact. It digests fat, protein, paper, oils and starches. **Hercules BREAK-THRU** products are biodegradable, with no harsh chemicals or harmful bacteria. Easy-to-use non-splashing dry formula. Safe for humans, animals, plants, and plumbing.

Hercules **BREAK-THRU** products contain an exceptionally large quantity (billions) of a unique blend of specific enzymes for targeted, safe, and efficient drain maintenance and treatment. They effectively break down waste blockage, without harsh chemicals that can impair drainage.
